GUESTS AND TABLE SEATING

Networking is a strong tradition at the New York Academy of Sciences' Galas. We offer the option of mingling your guests at a variety of tables so that they may meet other attendees. Your guests will receive the same attentive seating and preferential placement whether they are seated together or separately. You may request that certain individuals be seated together; simply indicate this on your guest list.

To facilitate networking, we provide name tags at the door. Please provide the names, titles and affiliations of your guests, either with this card or by email to gala@nyas.org by **October 13**. Thank you.
