

Application Submission Instructions

Interstellar Initiative

Presented by the New York Academy of Sciences and the Japan Agency for Medical Research and Development

www.nyas.org/Interstellar2018

Submission Deadline: April 2, 2018, 11:59 PM EDT (April 3, 2018, 12:59 PM JST)

Thank you for your interest in applying for the *Interstellar Initiative*. Please find below more information on how to submit your application through the [web portal](#). For questions about the program and application, please email interstellar@nyas.org. For technical issues with the application portal, visit the [FAQ](#).

In addition to application to the portal above, applicants in Japan should submit their application to e-Rad portal (www.e-rad.go.jp/en/) as well.

Create an account:

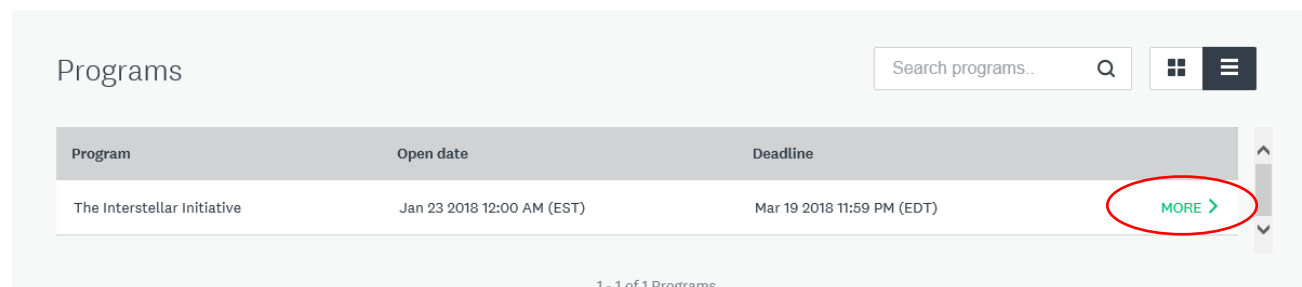

To create an account, visit the online portal:

www.interstellarnyas.smapply.io/prog/the_interstellar_initiative/.

Click on the green “Register” button in the top right corner. You will receive an email from interstellar@nyas.org to validate your account. Click on the link provided in the email to confirm your account.

Starting your application:

You should receive a second email confirming your registration as an applicant. Once your account has been created, login. To get the the application for the Interstellar Initiative, click the green “View Programs” button, or the “Programs” button on the top right. You should see the listing for the Interstellar Initiative, pictured below. Click on the green “MORE” button:

Program	Open date	Deadline
The Interstellar Initiative	Jan 23 2018 12:00 AM (EST)	Mar 19 2018 11:59 PM (EDT)

1 - 1 of 1 Programs

Then the green “APPLY” button on the program page:

The Interstellar Initiative

Japan Agency for Medical Research and Development

The New York Academy of Sciences

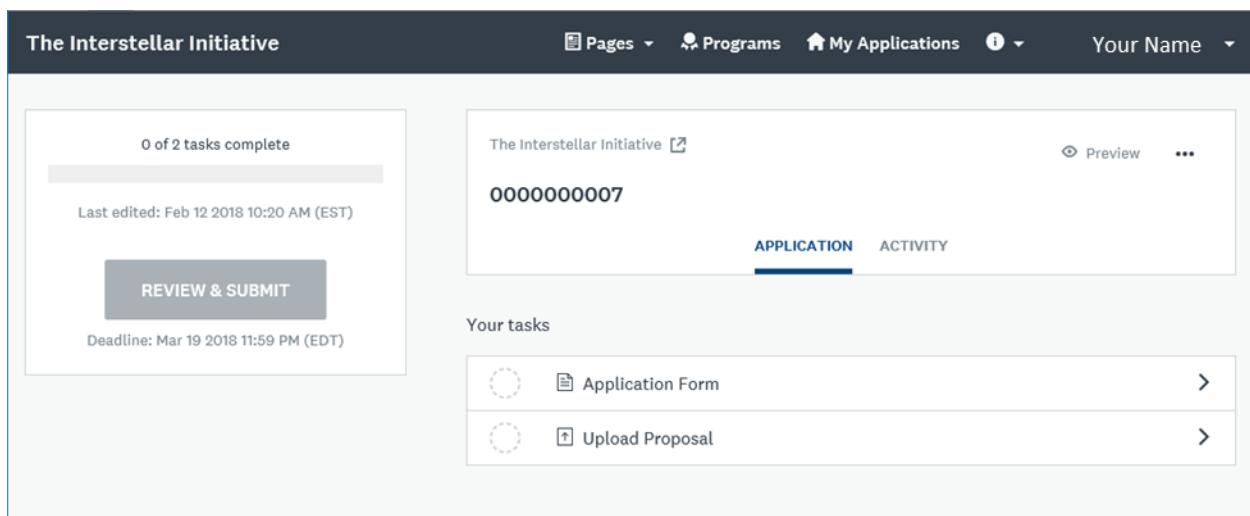

Collaboration is key to truly innovative scientific discoveries and advancement. There is a critical need to promote and support the intersection of ideas across international boundaries and disciplines, in particular among early career scientists. The *Interstellar Initiative* — presented jointly by the **Japan Agency for Medical Research and Development** and **The New York Academy of Sciences** — recognizes the world's most promising Early Career Investigators from around the world and connects them with
