Awards: One Laureate in each Category awarded US$250,000 in directly paid, unrestricted funds

ELIGIBILITY

The nominee must:

• Have been born in or after 1980*.
• Hold a doctoral degree (PhD, DPhil, MD, DDS, DVM, etc.).
• Currently hold a faculty position at an invited institution in the United States.
• Currently conduct research as a principal investigator in one of the disciplinary categories in Life Sciences, Physical Sciences & Engineering, or Chemistry.
• The Blavatnik Awards strongly encourages the nomination of women and other underrepresented groups in science and engineering.

* Age limit exceptions will be considered in exceptional circumstances upon a detailed written submission from the nominating institution.

LIMITED SUBMISSION

• Candidates must be nominated by their institution. Self-nominations are not allowed.
• Each institution may submit up to three nominations, one in each disciplinary category of Life Sciences, Physical Sciences & Engineering, and Chemistry.
• Nominations must be submitted using the online nomination system.

EVALUATION CRITERIA

Nominees and their work as independent investigators will be evaluated according to the following criteria:

• Quality: The extent to which the work is reliable, valid, credible, and scientifically rigorous.
• Impact: The extent to which the work addresses an important problem and is influential in the nominee’s field.
• Novelty: The extent to which the work challenges existing paradigms, employs new methodologies or concepts, and/or pursues an original question.
• Promise: Future prospects in the nominee’s field and potential for further significant contributions to science.
